

Last month, we celebrated Kalayaan, also known as Philippine Independence Day, and Father's Day. We also had our annual Mano Po event sponsored by PASU students from Stanford, and our annual Spring Fling hosted by the sisters of Kappa Psi Epsilon. Thank You to PASU and Kappa Psi Epsilon for volunteering your time, and for your donation of care-packages! We are thankful to have the generous support of student organizations, community partners, and collaborators, and we look forward to continuing our partnerships in the new fiscal year.

Activities and housing clinic at Gene Friend Rec Center will resume this August!

Over the last year, BEC worked closely with partners to award the Congressional Gold Medal to surviving Filipino WWII veterans and veterans' families. BEC will continue to process incoming Congressional Gold Medal applications in preparation for the next ceremony. We would like to thank all our volunteers, interns, and community partners who have lent a hand along the way to honor our veterans.
